

# ONE ON ONE SOULWINNING CHECKLIST

## APPROACHES

**Today, we are looking for thirsty people.** I am passing out bottles of water and telling people about what has quenched my thirst. I am looking for just five minutes of your time.

**We are praying for people today.** Is there something that we can pray with you about? I am looking for a person with spiritual hunger or spiritual questions.

**I am looking for someone who has a physical pain or an injury.** Do you have something that we may pray for? Perhaps you have a family member who needs prayer.

**In a world seemingly gone crazy,** my family and I would like to pray for you and your family. We would like to share about what gives us peace and helps us overcome fear when we face chaos.

**Know the Four Pictures of Redemption.** God's Creation, Satan's Deception, Jesus Substitution, and Our Restoration. These four pictures answer the question: **If God is good, why do bad things happen to good people?**

## ATTITUDES

**Engage in conversation.** Don't use Christian club talk. Use every day conversational language.

**Smile.** Maintain a pleasant attitude. Be approachable, modest and presentable. (Look in a mirror if necessary!)

**Avoid arguments** that waste time. **Your personal story** is often a powerful connection with people. What is the Lord doing in your life today? What has he done for you? What he has done for you he will do for others.

**Remain open-handed.** Put finger pointing aside. Remember Jesus is always pictured with open hands. He is accessible.

**Bring each person to a place of decision. Do not fear rejection!** You are a seed-planter. You plant and God waters the seed.

**Avoid cults.** Recognize that they can take all of your allotted time to witness.
